L.H. Turner Facility Services and Construction Co., LTD.

Dear Sir/Madam:

My company had the opportunity to work in partnership with L.H. Turner on the Victoria Gardens Apartment Renovation project in Spartanburg, SC. During construction, L.H. Turner's contract consisted of exterior painting and interior final cleaning of the units, to which they were able to perform their duties of meeting project deadlines and objectives to help this project succeed for the Housing Authority and its project affiliates. Please let this letter serve as our recommendation of L.H. Turner on future projects of similar size and scope.

Please feel free to contact me with any questions or inquiries.

Sincerely,
